

## Corporate Donor Commitment Form

Thank you for your interest in contributing to help fund low-income and disabled displaced scholarships in the state of Arizona, through the Private School Corporate Tax Credit Program.

Please complete and return this commitment form to us. Once we receive this information, we will fill out the preapproval form to submit to the Arizona Department of Revenue (AZDOR). Once AZDOR approves your contribution amount you will have 10 days to remit payment to New Hope Scholarship Foundation. Upon payment being received, New Hope Scholarship Foundation will notify the AZDOR as to your tax redirected contribution and then the AZDOR will issue your tax credit for the amount per the year specified.

The Corporate Cap for donations is established each year by the Arizona Legislature. We will submit your form on July 1st or on the date you list below. We should hear back from the state within a few days of submission of this information.
